

My *St. Tropez* Packing List

FRANCE

I'm all about efficiency and avoiding checked luggage hassle when traveling. To save room in my luggage and ease the packing stress on extended trips, I plan a wardrobe capsule that can be easily repeated and mixed & matched:

Clothing

- Linen dresses for hot afternoons
- Dressier, chic dress for evenings and dinners
- Swimsuits, cover ups and sandals for beach club days

Accessories

- Sunglasses
- Books
- Beach bag for beach club days

Toiletries

- Sunscreen – you'll spend most of the day outdoors and in the sun
- Bug spray (there were mosquitos at night!)
